Meet **Satelligence**

Satelligence is a leading geospatial company dedicated to monitoring deforestation across the world with satellite technology. We're on a mission to accelerate sustainable sourcing practices and reduce carbon emissions globally. To do this, we are seeking for an experienced Legal Counsel to join our dynamic team and help us achieve our business goals.

About us

We help our clients, global food and agri-businesses, identify environmental risks across their sourcing landscapes, and enable them to make sustainable sourcing decisions that will protect our tropical forest biomes and preserve biodiversity. Our headquarters are based in Utrecht, The Netherlands with local presence across West Africa, Latin America, and Southeast Asia.

About **your** role

You will report to the COO, and be responsible for managing all the legal aspects of our growing business.

You will provide expert legal advice on a broad range of legal matters related to our business, our products, and our services.

This includes drafting, reviewing and negotiating commercial contracts, service level agreements, general terms and conditions, and NDA's. As well as, identifying and managing litigation risks.

Key responsibilities

- Draft, review and negotiate a full range of contracts, ensuring compliance with statutory and regulatory requirements.
- Support (sales, customer success, management team) during negotiations with drafting / reviewing contracts and aligning or revision of appendixes of the main contract and ensures consistency with terms & conditions.
- Ensure compliance with company policies as all applicable (int.) laws and regulations.
- Review and advise management on legal implications of internal and external policies and procedures.
- Review progress of outstanding litigation and liaise with and manage external lawyers and / or legal advisors and assists in court trials.
- Support further professionalization of company's contract management through the whole contract life cycle.
- Monitor contracts or any other documentation where the company has committed itself and assess legal implications that need to be brought to the executive management's attention.
- Prepare, review and modify contractual instruments to assist and support various business activities.
- Negotiate, review and/or draft documentation for (general) business transactions and prepare and advise the management.

Your profile

- You are proactive and results-oriented.
- You thrive in a dynamic and international working environment, at the forefront of environmental sustainability, technology and innovation.
- You have excellent analytical, negotiation, and drafting skills. You are proficient in managing complex legal matters and providing actionable legal advice.
- You have superior communication skills, both written and verbal, with the ability to convey complex legal concepts to non-legal stakeholders.
- You have strong organizational skills with the ability to manage multiple projects simultaneously and meet deadlines.
- You have a commercial mindset, and can evaluate both legal and commercial interests for the business.

Your qualifications

- You are a qualified legal professional (Dutch law), with approximately 7 - 10 years of experience at a law firm or as Legal Counsel for an international organization.
- Ideally, you have experience working for a SAAS company in the sustainability field. Or, a strong understanding of SaaS business models and the associated legal implications.
- You have excellent command of English & Dutch (written and verbal).

What we offer

Be part of a rapidly growing scale up, dedicated to positive impact by protecting our tropical forests.

- 📍 Office centrally located in Utrecht city centre, close to central station
- ☂️ 27 holidays
- 👐 Pension scheme
- 🍱 Daily lunch at the office
