

Satelligence

Marketing Intern

About the Job

Function Overview at Satelligence

At Satelligence, our Marketing function is at the core of connecting our mission to the world. We build awareness, spark engagement, and generate demand through data-driven campaigns and compelling storytelling. Our focus? Reaching the businesses shaping global supply chains—and helping them drive impact.

We strive to make sustainable production mainstream, ensuring a profitable, equitable, and climate-positive future. Protecting your business, people, and the planet—through relevant insights based on consistent and accurate data.

What Can You Expect from This Internship?

Learn by Doing

Gain hands-on experience, grow your skills, and contribute to projects that drive real business and environmental value.

Collaborate & Grow

Work closely with a passionate, international team. Learn from experienced professionals across marketing, sustainability, and tech.

Make an Impact

Help communicate powerful stories and data that support global sustainability efforts and climate-positive action.

Key Responsibilities

As a Marketing Intern, you'll join a dynamic and purpose-driven team supporting marketing strategies across both traditional and digital channels. You'll gain valuable experience in a high-impact B2B environment while contributing to our mission.

- Assist in the development and execution of integrated B2B marketing campaigns
- Support coordination and logistics for key industry events and webinars
- Help manage and schedule social media content (mainly LinkedIn)

- Track campaign performance and digital analytics using tools like Google Analytics and HubSpot
- Conduct market research and competitor analysis to inform strategy
- Collaborate with the Sales, Product, and Data teams to ensure aligned messaging

What We're Looking For

- **Education:** Currently pursuing a Bachelor's or Master's degree in Marketing, Communications, Business, or a related field
- **Work Authorization:** Must have legal authorization to work in the Netherlands (no visa sponsorship provided)
- **Availability:** 32–40 hours per week for 6 months (extension possible)
- **Language:** Fluency in English, with strong verbal and written skills
- **Your Mindset & Skills:**
 - Passionate about sustainability and purpose-driven innovation
 - Curious, creative, and eager to learn by doing
 - “Roll-up-your-sleeves” attitude—ready to support wherever needed
 - Basic knowledge of marketing principles, digital tools, and analytics
 - Inclusive, collaborative, and proactive in team settings

What's in It for You

At Satelligence, your work will have purpose. You'll be a valued member of the team contributing to something bigger.

- Internship allowance
- Flexible, hybrid working environment
- Daily lunch at the office
- Office centrally located in Utrecht city centre, close to central station
- The opportunity to build a portfolio with real-world marketing experience
- A mission-driven culture focused on sustainability and innovation

Employment type: 32h-40h / week

Location: Utrecht, NL

Experience: Junior

Allowance: 750 EUR / month
